

flint dille

Okay... So watch the thread around 8:00 PST tonight. I'll keep you posted if I can. Something big is going down. NIA is involved and Resistance New Wave, I believe. 09:19

Mustafa "MuMu" Said

? 09:20

The PAC thread? 09:20

flint dille

Yes. I'll post on Essex. I assume that if I know about it, PAC KNOWS ABOUT IT. 09:21

Mustafa "MuMu" Said

Probably so 09:21

One more thing. 09:21

It's been a while Flint. Nice to see you around. 😊 09:21

Kosh TheRipper (KoshTheRipper)

Ishira Tsubasa

Flint did you go alone? 12:48

Nola Circuit

Ishira Tsubasa

i hope this will be a safer meeting at the least 12:50

flint dille

I'm getting to the place. Will contact you when on station. 12:55

Kosh TheRipper (KoshTheRipper)

Ishira Tsubasa

alright.... please stay safe 12:56

oh yay.... thats not concerning at all.... 12:56

Mustafa "MuMu" Said

Hehehe 12:56

Ishira Tsubasa

he did kinda rush off though... so i guess its to be expected 12:56

Mustafa "MuMu" Said

I think he'll be fine. 12:57

Mel Forrest

Yeah 12:57

Kosh TheRipper (KoshTheRipper)

he'll be back with us shortly. 12:57

if he takes longer than 8 minutes now, then we worry 13:00

Mel Forrest

I don't have that many dark chocolate covered espresso beans though... 13:01

Ishira Tsubasa

heh. 13:01

i think i have some caffeinated gum i will imagine i am sending you 13:01

if that helps 13:01

Mel Forrest

Lol. I will imagine I'm getting them 13:02

Ishira Tsubasa

hehe 13:02

flint dille

Okay... We're close... Seeing activity. 13:05

On station... 13:05

Ishira Tsubasa

activity ? 13:05

flint dille

Will send coordinates. 13:05

Ishira Tsubasa

alright 13:05

flint dille

Trendy restaurant. Poolside. Not what I expected. 13:09

Don't want to be seen. 13:09

Ishira Tsubasa

heh stay away from the pool? 13:09

flint dille

Taking cover. 13:09

Nola Circuit

You're hard to miss. You're very tall. 13:10

flint dille

Yeah. The pool is kind of coffin shaped. 13:10

Mel Forrest

What do you see? 13:10

flint dille

I know. I'm conspicuous. 13:10

Ishira Tsubasa

coffin shaped... well thats not one id want to swim in 13:10

flint dille

Ping outside of Essex that things are about to start. I'd give it five. Seems like something is about to happen. 13:11

Kosh TheRipper (KoshTheRipper)

@Flint, are you going to stream us some video? 13:11

flint dille

I am going to try. Not my stream. I'm thinking some rogue element, given my source. 13:13

Mel Forrest

Hotel Figueroa? 13:13

flint dille

I think I was spotted. Taking cover. 13:13

Ishira Tsubasa

Shit.. 13:13

Mustafa "MuMu" Said

By who? 13:14

Mel Forrest

Or what? 13:14

Ishira Tsubasa

By the NewWave or Niantic? 13:14

Mustafa "MuMu" Said

NIA? 13:14

flint dille

https://www.youtube.com/watch?v=SEiyg_46eJE 13:14

Ishira Tsubasa

Be careful Flint... 13:14

flint dille

Think its about to go live. 13:15

Ishira Tsubasa

watching 13:15

Mel Forrest

it is 13:15

Kosh TheRipper (KoshTheRipper)

 watching as well. 13:15

 **Alastair Gilfillan**
 13:16

 **flint dille**
Go... 13:16

 **Mel Forrest**

 **Ishira Tsubasa**
listening 13:16

 **flint dille**
New Link: <https://www.youtube.com/watch?v=JSfFd8FzY4o> 13:16

 **Ishira Tsubasa**
a woman and man 13:17

 **flint dille**
Watch it all. I'm hearing something that sounds like NIA convo. 13:17
Anybody familiar? 13:17

 **Ishira Tsubasa**
Devra! 13:17
auto compromised on the second link 13:18

 **flint dille**
http://youtu.be/Nsb_rdeWVVg 13:18
I'm sending updates as fast as I can. 13:18

 **Ishira Tsubasa**
James blake? 13:19

 **Mel Forrest**
sussan 13:19

 **flint dille**
I'm suspecting a hack and counter hack. 13:19

 **Mel Forrest**
Susanna or susan 13:19

 **Ishira Tsubasa**
he called her sussan 13:19
i thought she said her name though was Devra 13:19

 **Mel Forrest**
The video had no audio and the audio had no video 13:20

 **Ishira Tsubasa**
very true 13:20
i was watching both at the same time 13:20

 **Mel Forrest**
I couldnt. 13:20

 **Ishira Tsubasa**
one on the phone one on the lappy lol 13:21

 **flint dille**
Team up. 13:21
Things are happening fast. 13:21

Ishira Tsubasa

the latest link is not working for me 13:21
video went down 13:21

flint dille

Checking. 13:21

JoJo Stratton

Dr. James Pike? 13:23

Ishira Tsubasa

he called her susan at first, made a comment about professors dating and then told him her name 13:23

JoJo Stratton

the one audio and video sync up for a bit 13:23

Nola Circuit

Susan Johnson. Sounded like Strathmore? I am on mobile at the lomen 13:23

flint dille

Its unclear what is happening. Trying to get a new position. 13:23

JoJo Stratton

susan johnson - fake name? 13:23

Ishira Tsubasa

at the end he called himself James Blake 13:23

Mustafa "MuMu" Said

Probably JoJo 13:23

JoJo Stratton

really Devra and he did an image search and asked about Niantic? 13:23

flint dille

The New Wave is trying to re-establish a feed. 13:23
This is a New Wave op. 13:23

JoJo Stratton

Blake.... 13:23

flint dille

They seem to have hacked the NIA. 13:23

Mustafa "MuMu" Said

How? 13:24

Ishira Tsubasa

And at 140 she called herself Devra 13:24

Mustafa "MuMu" Said

And where are Phillips and Owen 13:24

Nathan Wooley

Wanted to start over 13:24

flint dille

She's Devra all right. 13:24

Mustafa "MuMu" Said

They're in charge 13:24

Ishira Tsubasa

Susan seems to be the name she uses where ever shes at 13:24

 **Kosh The Ripper (KoshTheRipper)**
WHICH wave? RES or ENL? 13:24

 **Ishira Tsubasa**
sorry im re-listening to the first audio 13:25
Stratmore? 13:25

 **flint dille**
I saw blue... I'm thinking Resistance... 13:25
I'm guessing Tech Enhanced New Wave Resistance. 13:26

 **Mustafa "MuMu" Said**
Is Devra sliding with them? 13:26

 **Ishira Tsubasa**
it sounded like Devra was scared 13:27

 **Nola Circuit**
She's meeting with them? 13:27

 **Ishira Tsubasa**
she didnt expect him to know who she was 13:27

 **JoJo Stratton**
maybe she is just on a date 13:27

 **Ishira Tsubasa**
thats what it seems like 13:27

 **Mustafa "MuMu" Said**
Maybe 13:27

 **Ishira Tsubasa**
and she wanted to be honest with him 13:27

 **Nathan Wooley**
Supposed to be a date 13:27

 **JoJo Stratton**
and then he started asking about Niantic 13:27

 **Ishira Tsubasa**
and he told her he already knew 13:27
she started questioning him on who he was 13:27

 **Nathan Wooley**
NW would know her 13:27

 **Nola Circuit**
Sting? She thought it was supposed to be a date. 13:28

 **Nathan Wooley**
This guy is definitely not right 13:28

 **flint dille**
Heard there's a new feed coming in... 13:28

 **Ishira Tsubasa**
and the stream ended with him saying he was really Dr James Blake 13:29

 **JoJo Stratton**
and he called her susan at the end, not devra 13:29

 **Mustafa "MuMu" Said**
Is that his real name 13:29
Or a fake one 13:29

Ishira Tsubasa

thats the name he knew her by 13:29
or at least where they met 13:29
but he also knew she was Devra 13:29

JoJo Stratton

yes, but she had told him her real name 13:29

Nola Circuit

Flint said hack of a hack. NW res(?) hack NIA survalence feed. Devra would be under NIA survalence, so who's the guy? 13:29

Ishira Tsubasa

why would he continue to call her Susan? 13:30

Mel Forrest

There are way too many Dr James Blake's 13:30

Ishira Tsubasa

very convenient name 13:30
waiting for next stream... 13:31
hope Dervas ok now..... 13:31

Nathan Wooley

Too many answers not enough questions 13:31

Kosh TheRipper (KoshTheRipper)

same 13:31

JoJo Stratton

they are talking about the Professor's data at the beginning of the audio 13:31

Ishira Tsubasa

Flint where are you seeing the new wave? 13:31
yeah they were 13:31

flint dille

<http://youtu.be/z5lVrayji8g> 13:32

Ishira Tsubasa

and then about how coworkers shouldnt be dating 13:32
Back on 13:32

flint dille

<http://youtu.be/zcXVV4WiceA> 13:32

Mustafa "MuMu" Said

So this guy works with Devra at the University? 13:32

Ishira Tsubasa

professor of anthropology 13:33

Mustafa "MuMu" Said

Or wherever she works now 13:33

JoJo Stratton

I thought she was at a community clege 13:33

Mustafa "MuMu" Said

Same 13:33

Ishira Tsubasa

second link is waiting for life feed 13:33
last link i mean 13:33

JoJo Stratton

00000 13:35

Ishira Tsubasa

oh hello PAC 13:35

hes taking her 13:35

both are offline now 13:36

Mel Forrest

I was just going to ask who showed up 13:36

flint dille

I'm getting out of here. Things could get nasty. Will check back in when safe. Don't know what happened. 13:36

Philipp J. Bock (I23I)

Chapeau took Devra away? And was the Oliver Lynton-Wolfe at the table?? 13:36

Ishira Tsubasa

be careful 13:36

David Timothy

So, PAC says ADA needs Devra's help. Interesting 13:37

Mel Forrest

Blake = wolfe? I don't think so. 13:37

JoJo Stratton

yes was there mention of a code or password? 13:37

Philipp J. Bock (I23I)

Just on the first gleam. 13:37

Mel Forrest

I heard passcode 13:37

Ishira Tsubasa

rewatching 13:38

Kosh TheRipper (KoshTheRipper)

Safe travels flint. You still haven't heard from Dr. Wright recently? 13:38

JoJo Stratton

we'lllll 13:39

Devra was director of Niantic 13:39

and they reset but the computer probably did not 13:39

maybe they need her paaword to get into Niantic computers 13:39

Ishira Tsubasa

huh 13:39

JoJo Stratton

It sounded like PA said we need your password 13:39

David Timothy

PAC did say they needed Devra's password 13:39

Ishira Tsubasa

Flint, were any of the NW in the video? 13:39

JoJo Stratton

so maybe she had access to some computer functions as Director 13:40

now the trick is what password would she have used 13:40

David Timothy

Maybe it's a biometric... Nothing like an unchangeable password. 😊 13:40

 **JoJo Stratton**
hehe 13:40

 **Mel Forrest**
Video does suggest that it was pac that got her 13:40

 **Alastair Gilfillan**
Maybe it is yet to be recovered, from her memory fragments. 13:40

 **JoJo Stratton**
no cutting out Devra's eye for a retinal scan - just kidding 13:40

 **David Timothy**
Or some combination of biometrics and a PW she might know from reuse... Either way, sounds like PAC is new wave and is recruiting Devra to help. 13:41

 **JoJo Stratton**
PA said James was NIA, yes? Audio so garbled 13:41
is he new wave or were the NW just watching 13:41

 **Ishira Tsubasa**
PAC was recording 13:41

 **Nathan Wooley**
Yes... a patsy I think is the word used 13:41

 **Ishira Tsubasa**
i see his phone in his hand 13:41

 **JoJo Stratton**
but the video continued when PA appeared 13:41

 **Ishira Tsubasa**
he pointed it to the man 13:42

 **David Timothy**
That what I got, JoJo... Didn't catch the name but I got the impression he called the man she was with an NIA patsy 13:42

 **Mustafa "MuMu" Said**
PAC is new wave? 13:42

 **JoJo Stratton**
are we seeing two people recording this 13:42
the audio rom one camp and the video another? 13:42

 **David Timothy**
I would think this does mean PAC is new wave or at least helping them. Same goals, bring back ADA. 13:42

 **Ishira Tsubasa**
idk... I want to see what PACs video shows 13:42
he clearly keeps it on the man even as hes pulling Devra away from him 13:43

 **Mustafa "MuMu" Said**
Hmm. 13:43

 **JoJo Stratton**
you can sync up the first audio and video 13:43
with the toasting comment when they are lifting their glasses 13:43

 **Ishira Tsubasa**
ill go look back 13:44

 **Mel Forrest**
No he said password 13:44

 **JoJo Stratton**

 hmmm so if this is true - Devra was just trying to go on a date, with a NIA patsy who wanted something from her and PA stepped in and wants a password from Devra 13:45
NIA Patsy who was posing as a coworker 13:45
was James just keeping an eye on Devra, or was he trying to obtain something specific.... 13:46

 **Nathan Wooley**
He was trying to ascertain what she remembered 13:46

 **Ishira Tsubasa**
what did you want to see with the toast? 13:46

 **Mel Forrest**
Both? 13:46

 **Nathan Wooley**
That's where you can sync the audio to @ishira 13:46

 **Ishira Tsubasa**
im watching both i see something that doesnt add up 13:46

 **JoJo Stratton**
I only mentioned the toast because you can sync up the audio to the video using the toast as a frame of reference 13:46

 **Ishira Tsubasa**
audio has some banging in it but you dont see anything banging at all on video 13:47

 **JoJo Stratton**
I am thinking maybe they were two different recording locations.... it reminds me of the Russians or such watching Devra and Hank on the bench in NYC so long ago 13:47

 **Mel Forrest**
I noticed that 13:47

 **Kosh TheRipper (KoshTheRipper)**
Devra didn't remember much because of the vaccine she gave herself against the "XM influence".. she messed up her own recursion. 13:47

 **Mustafa "MuMu" Said**
Shouldn't all this be posted on Essex? 13:48
So everyone can see it 13:48

 **JoJo Stratton**
Who's making the post? 13:48

 **Kosh TheRipper (KoshTheRipper)**
maybe Melissa or Ishira could organize it better? 13:48

 **Mel Forrest**
No 2nd audio starts before the first audio ends 13:49

 **Ishira Tsubasa**
yes it does 13:49
but in both videos 13:49
you can hear PAC say Devra 13:49
the audio and visual 13:49
he says it loud enough for it to register on the vid 13:49
that makes it easier to time them but at the end really 13:50

 **Achim S. (Metamorphis)**
Good morning ☕ 13:52

 **Alastair Gilfillan**
The Old Devra/Hank Videos: https://youtu.be/EMt_4AaMAgY 13:52

 **Mel Forrest**

 I want to find my headphones and attempt to transcribe this but it will have to wait till morning. Hey achim 13:52

 **Ishira Tsubasa**
interesting that the vid is posted by new wave and the audio is NIA 13:53

 **Mel Forrest**
I didn't catch that. Gj 13:54

 **JoJo Stratton**
would account for the different locations 13:54

 **Nathan Wooley**
The audio is coming from "james"... that is why he is clear and Devra is garbled 13:54

 **Ishira Tsubasa**
im going to try and line it up 13:54

 **JoJo Stratton**
and James is the NIA 13:54

 **Mel Forrest**
So who was NW 13:55

 **Nathan Wooley**
Seems so 13:55

 **Ishira Tsubasa**
is there a post of Essex? 13:55

 **Kosh TheRipper (KoshTheRipper)**
It just means that you have multiple organizations watching the exchange. 13:55

 **Ishira Tsubasa**
yeah why... 13:55
like 13:55
Why? 13:55
Flint 13:55

 **Nathan Wooley**
The NW were watching... may be the source of the hacked feeds 13:55

 **Ishira Tsubasa**
were there any NW that entered the vid? 13:55
you said you saw them 13:55

 **Nathan Wooley**
If that is PAC he is a possibility 13:56

 **Ishira Tsubasa**
was there at any point they walked past them? 13:56
possible 13:56

 **Mel Forrest**
Did you catch the other voice? Or was that the waiter? 13:57

 **Ishira Tsubasa**
can i post the video and audio links in essex? 13:57
hes not on the vid though 13:57
hes only on audio 13:57

 **Kosh TheRipper (KoshTheRipper)**
Do eeet Ishi! 13:57

 **Ishira Tsubasa**
interesting that the NW started recording after that 13:57

 **Nathan Wooley**
Suprised they weren't posted there to begin with 13:57

 **Ishira Tsubasa**
kk 13:58

 **Nathan Wooley**
Flint did you notice anything out of the ordinary that we may have missed from our point of view? 14:01

 **Ishira Tsubasa**
interesting 14:06
new wave posted it all 14:07
on different accounts 14:07

 **Mel Forrest**
Huh? 14:07

 **Ishira Tsubasa**
the audio is NIA intercepted 14:07
the videos were all posted by New Wave \ 14:08
first audio was titled " NIA Intercept" 14:08
second audio was NWAudIntercept2 14:08
they are two different accounts 14:08

 **JoJo Stratton**
So if the NW Resistance was watching and the NIA - what about the New Enlightened? was there a third party watching too?
14:09

 **Ishira Tsubasa**
one has 2 followers and the other has 4 14:09

 **JoJo Stratton**
I followed all 😊 I have learned to follow any accounts lol 14:09

 **Ishira Tsubasa**
XD 14:09

 **Mel Forrest**
Flint gave us 5 links 14:14

 **Ishira Tsubasa**
one was not working 14:14
ill go back though and see if i can pull anything up with it 14:15
just cause it wasnt working then doesnt mean they dont now 14:15

 **Mel Forrest**
<https://www.youtube.com/shared?ci=ONQo9Rm2ICU> 14:16
That's the one not working 14:17

 **Ishira Tsubasa**
yep 14:18
it still says for me its waiting 14:18

 **Mel Forrest**
Yep 14:18

 **Ishira Tsubasa**
hrrmm should i add the link to the post? 14:18
maybe i will 14:19

 **Kosh TheRipper (KoshTheRipper)**
All the links! 14:19

 **Ishira Tsubasa**
simply because it was part of the list and even if it didnt go active it was part of the event 14:19

who knows... it could still go live 14:19

 **Alastair Gilfillan**
Yep 🙌 14:19

 **Ishira Tsubasa**
WO 14:20
Waitttt 14:20
thats a third account! 14:21

 **Mel Forrest**
Yep 14:21

 **Ishira Tsubasa**
yep im adding that 14:21

 **Mel Forrest**
And all say they have no content 14:21

 **Ishira Tsubasa**
ive subscribed to all 14:21

 **Mel Forrest**
Same 14:22

 **Ishira Tsubasa**
thats a third NW account 14:22
how interesting 14:22

 **Mel Forrest**
I'm off to bed now. Sleeping schedule is crazy and I've got 4 monsters w who start school shortly 14:23
Oh and he was at hotel Figueroa 14:23

 **Alastair Gilfillan**
Nice! 🤔 14:23

 **Mel Forrest**
In Las Angeles 14:24
Los 14:24

 **Ishira Tsubasa**
ill add that 14:24
thank you Melissa! 14:24

 **Mel Forrest**
Np. Coffin shaped pool, restaurant, califoria. Unless they were in Colorado then I'm lost 14:25

 **Alastair Gilfillan**
That's the place 14:27

 **Ishira Tsubasa**

I hope Flint will check back in to let us know he's safe. 14:37

 **Ishira Tsubasa**
thats what im hoping for too... 14:46
he did say hed get back in contact with us when he was safe.... 14:49
i hope we hear from him soon 14:49

 **Mike Wissinger**

Interesting these are released as Hangout on Air which is being deprecated. Is someone capturing them in case they disappear down a memory hole? 15:08

 **Ishira Tsubasa**
right? its rather interesting.... 15:09
i really want to see PACS video 15:11
i want to see who that guy was,,, 15:11

 **Mike Wissinger**
And any old HOAs for that matter 15:11

 **Nola Circuit**
Just re listened. It sounds like PAC may be helping the NW. He's always had a concern for the well being of Ada. He may not be NW, but sympathetic to their plight. 15:13

Sunday, 21 August 2016 18:19

 **Ana Prados**
Wow, all the excitement while I was sleeping 🤔 18:19

Good morning 18:19
If the video did come from the NWR, could it have been a security video from the restaurant? 18:20

 **Mustafa "MuMu" Said**
Part of me wants to ask PAC about what happened last night 18:57
:-) 18:57

 **Alastair Gilfillan**
I think it might have been on the wall on the other side of the pool. Planted specifically for this meeting. 18:59

 **Achim S. (Metamorphis)**

20:13

As we can see from above, on both sides there are parking Spots. 20:14
Good to Park a van with mobile equipment
